TERMINAL DISCLAIMER UNDER 37 C.F.R. 1.321

Sir:

I, Timothy J. O'Sullivan, am an attorney of record of the disclaimant, International Business Machines Corporation, and am authorized to execute this disclaimer on behalf of International Business Machines Corporation. The disclaimant, International Business Machines Corporation, having a principal place of business at Armonk, New York 10504, is the owner of all right, title, and interest in the above-identified application, as evidenced by a Confirmatory Assignment recorded on January 17, 2001, and recorded at Reel 011491, Frame 0831, a copy of which is attached hereto.

The disclaimant hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156, §173, and any other relevant statutory provision of U.S. Application No. 09/764,790, filed January 17, 2001, as presently shortened by any terminal disclaimer. These patent applications are commonly owned by the Disclaimant as evidenced by the attached Confirmatory Assignment.

Disclaimant further agrees that any patent so granted on the above-identified application, which is the subject of this disclaimer, shall be enforceable only for and during such period that the patent granted on the above-identified patent application and United States Application Serial No. 09/764,790, filed January 17, 2001, are commonly owned. This agreement runs with any patent

granted on the above-identified application, and is binding upon the grantee, its successors, or assigns.

Nothing herein shall be construed as a disclaimer of any terminal part of any patent granted on the above-identified application that is prior to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 - 156 and §173 of United States Application Serial No. 09/764,790, filed January 17, 2001, as presently shortened by any terminal disclaimer, in the event that one or more of the prior patents later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer.

Respectfully submitted,
